

MYGPMP Privacy Policy

1. Introduction

- (a) This website is created and controlled by GPMP Australia Pty Ltd (ACN 637 797 669) (**GPMP**, **we**, **us** or **our**).
- (b) We are committed to ensuring your personal information is protected. We manage your personal information in accordance with the Australian Privacy Principles set out in the *Privacy Act 1988 (Cth)* (**Privacy Act**).
- (c) By accessing and using our website available at www.mygpmptool.com.au (**Website**), the MYGPMPTOOL Platform and the GPLINKTOOL Platform (collectively, the **GPMP Platform**) or any products or services on the Website, you agree to this Privacy Policy.
- (d) This Privacy Policy outlines how we collect, store, use and disclose your Personal Information, and how you may access your Personal Information (as defined in the Privacy Act) kept by us or how you may make a privacy complaint.

2. The information we collect about you

2.1. Patient information

- (a) We will only collect and hold Personal Information about you that is reasonably necessary to undertake our business activities and functions, deliver our products and services to you, or as otherwise permitted by law.
- (b) The type of Personal Information that we collect and use depends on the type of dealings that you have with us and includes the following:
 - (i) personal details, such as full name, address, mobile and telephone numbers, date of birth and email address;
 - (ii) Health Information and Sensitive Information (as defined under the Privacy Act), including information relating to your health or disability, medical records, medical care and clinical history (for example, medication taken, previous test results, pathology results and family medical history), your ethnic background and genetic information;
 - (iii) your Medicare number, Veterans' Affairs number, Health Care Card number, health fund details or pension number; and
 - (iv) contact details (see below) and details of the services provided to patients by medical health practitioners and allied health providers.

2.2. Health professionals

- (a) We collect and hold Personal Information about healthcare professionals, medical specialists, carers, allied health professionals who use the GPMP Platform or otherwise supply goods and services to the patient and other individuals to facilitate our business activities and carry out our services.

(b) For example, the type of Personal Information that we collect includes:

- (i) name, address, email address and healthcare identifiers of health service providers, medical practices, medical specialists, carers and allied health professionals;
- (ii) letters of referral or medical reports;
- (iii) payment and billing information;
- (iv) information relating to your dealings, or enquiries you have made, with us, including information about the products or services you have ordered;
- (v) information regarding your access and use of our Website, including location information, IP address and any third party websites you access; and
- (vi) other information that healthcare professionals, medical specialists, and allied health professionals provide to us or that we may collect in the course of your use and access of the GPMP Platform.

2.3. Other information

(a) We may also collect and use:

- (i) information relating to your dealings, or enquiries you have made, with us, including information about the products or services you have ordered;
- (ii) information regarding your access and use of our Website, including location information, IP address and any third party websites you access; and
- (iii) other information that you provide to us or that we may collect in the course of your use and access of the GPMP Platform.

(b) We may also collect some information that is not Personal Information because it does not identify you or anyone else. For example, we may collect anonymous answers to surveys or aggregated information about how users use our Website, or the GPMP Platform.

(c) If you are a candidate seeking employment with GPMP, we will use your Personal Information to process your application and assess your suitability for any role. We may retain your information for future reference.

3. Collection

3.1. Collection from you

(a) We collect your Personal Information in several ways, including:

- (i) when you access and use the GPMP Platform, through your use, or orders, of our products or services;
 - (ii) set up or update an account or other registration on the GPMP Platform;
 - (iii) when you visit the Website or submit information through the Website (including on, or via, our related social media accounts), contact us, or complete any forms or documents for our products or services;
 - (iv) from third parties who access and use the GPMP Platform, including your treating healthcare professionals, medical specialists and allied health professionals;
 - (v) when you interact or communicate with us, such as by telephone, email or in person; and
 - (vi) from publicly available sources of information.
- (b) When we collect Personal Information directly from you, we will take reasonable steps to notify you (using a collection notice) at, before, or as soon as practicable after, the time of collection.
 - (c) As a collection notice is specific to a particular collection of Personal Information, it will provide more specific information about our information-handling practices than this policy.
 - (d) This policy is subject to any specific provisions contained in our collection notices and the terms and conditions of any offers, products and services. We therefore encourage you to read those provisions carefully.
 - (e) By providing your Personal Information to us, you acknowledge that you are authorised to provide such information to us.

3.2. Collection from healthcare professionals

- (a) We may collect Personal Information about you from:
 - (i) your treating healthcare professionals, medical specialists and other allied health professionals;
 - (ii) publicly available sources; and
 - (iii) third parties (including our related bodies corporate, business partners and service providers, credit reporting bodies, credit providers, government agencies and cloud-based accounting software GPMP Platform providers),
 and we take reasonable steps to make sure you are aware of the collection.
- (b) If you provide us with Personal Information about a patient (as their authorised representative or their treating healthcare professionals, medical specialists or allied health professionals), we rely on you to:
 - (i) inform the patient that you are providing their Personal Information to us; and
 - (ii) advise them that they can contact us for further information.
- (c) You must take reasonable steps to ensure the patient is aware of, and consents to, the matters outlined in this policy, including that their Personal Information is being collected, the purposes for which that information is being collected, the intended recipients of that information, the individual's right to access that information, who we are, and how to contact us.

- (d) Upon our request, you must also assist us with any requests by a patient to access or update the Personal Information you have collected from them and provided to us.

3.3. Third party payment processor

We use a third party payment processor, GoCardless, to process payments made to us. In connection with the processing of such payments, we do not collect, process, use, share, store or disclose any Personal Information or payment information (such as credit card and bank account details). Rather, all such information is provided directly to our third party processor, Gocardless, whose use of your Personal Information is governed by their privacy policy, which may be viewed at www.gocardless.com/en-au.

4. How we use your Personal Information

4.1. Purposes of use and disclosure

- (b) We only use, process and disclose your Personal Information for the purposes for which it is collected.
- (c) In particular, we use, process and disclose your Personal Information to:
 - (i) provide you with our products or services or the GPMP Platform;
 - (ii) improve, develop and manage our products, services, Website, the GPMP Platform, and to assist us in providing a better service to you;
